

## OUTDOOR EDUCATION PARTICIPATION FEES

Outdoor Education incurs additional costs over and above the usual curriculum subject costs due to the specialist activities being undertaken, and the need for expert assistance and equipment from outside providers. The total cost of our Outdoor Education Course is \$1,625 (for a year), however a portion of this is subsidised for International Students. There could be slight cost increases yearly.

New Zealand Domestic Students pay \$980 and the balance is subsidised by a special NZ funding 'Stars' that is allocated to the school and this pays the balance of \$650 per student.

### Full Year Course

International Students pay \$980 for a one year course. They are, however, not eligible for the Stars funding, so for those undertaking a whole year course a total of \$650 is subsidised from their tuition fees, so that they are only paying the same amount as domestic students.

### Half Year Course

If an International Student is undertaking a half year course, a total of \$322.50 will be subsidised in any half year.

The Term 1 & 2 costs are: \$ 802 and the Term 3 & 4 costs are: \$823, total for the year \$1,625. The latter half of the year includes the Outdoor Education Camp in Term 3. (Please note the Outdoor Education Camp is not funded through the Stars Funding for the NZ Domestic students).

### Term 1 & 2 (6 month course)

The cost for an International Student to participate in the Outdoor Education Course for a half year (January – June) is \$479.50.

### Term 3 & 4 (6 month course)
