NQF POLICY

Missed Assessments

Revised 2016

- Students will not be disadvantaged by unforeseen circumstances
- An assessment opportunity will be granted at another time to a student who has missed an assessment opportunity on approved grounds at a convenient time negotiated with the HOD
- Approved Grounds may include: family bereavement, accident or illness. Holidays taken during term time do not constitute grounds for rescheduling of assessments. Therefore, should a student miss an assessment because she is away on holiday, she will not be granted an assessment opportunity at another time
- Bereavement circumstances need to be authenticated
- Medical circumstances need to be authenticated by a medical certificate from a New Zealand registered medical practitioner which is dated on or immediately prior to the date or dates of assessment and must cover the date(s) of the assessment. The dates a student was incapacitated must be specified to be eligible for extensions or re-assessment opportunities, general or open ended medical certificates are insufficient. Refer to managing LONG TERM ILLNESS.
- To request rescheduling of or extension for an assessment, students will need to complete a “*Request for Extension /Rescheduling of Assessment*” or the “WGHS leave from school” form with evidence of “approved” grounds sighted by their house dean with appropriate supporting documents
- Rescheduling of short term assessment opportunities, 1-3 days, may be granted without a formal medical certificate where the students absence has been limited to a minority of the assessment period and the assessment is able to be rescheduled, within the assessment period. In this circumstance an email or phone call on the day of the assessment from the caregiver, followed by a signed note will suffice. This is at the discretion of the HOD.
- Documents need to be submitted to the HOD via the class teacher responsible for that assessment
- Where it is not appropriate nor practical to offer an alternative time for assessment it may be possible for teachers to determine a **derived grade** from standard-specific evidence of achievement in that standard for students who meet the requirements set out above
- Derived Grades – Are only applicable for external assessments due to emergency or unforeseen circumstances. Long term illnesses, anxiety or compassionate consideration are not applicable. Approved Grounds for application are: short term medical, accident or bereavement. Students must contact their Deans immediately should an emergency situation arise during external examinations, in order to apply.
- Documentation will be stored with assessment material relating to that standard
- Students who fail to submit adequate documentation and have their “*Request for Extension /Rescheduling of Assessment*” denied will have ‘**Not Achieved**’ recorded for that particular standard
- Students who have been absent from the teaching of the coursework for the standard through illness or for other legitimate reasons and are not able to cover the missed coursework and assessment may apply to have this standard withdrawn.
- Withdrawals – Students are expected to attempt the full course of study to ensure success. Students may apply to withdraw from particular standards via their Deans in exceptional circumstances. These would normally be approved grounds such as severe illness, bereavement or national sporting representation. In these cases an Individual Education Plan may be more appropriate.
- Students who fail to hand in assessments will have ‘*Not Achieved*’ recorded for that standard unless approved reasons apply.
- **LONG TERM ILLNESS:** If a student has an illness that prevents her from attending school for a considerable period of time then it is unlikely that she will have completed the required course of study for the particular achievement standard(s) she has missed. Therefore it is unlikely that she will be eligible to be assessed for a **derived grade** for those internal or external standards. Any student in this situation is advised to contact the Senior Manager in charge of her level to discuss her particular circumstances.
