

SMOKEFREE POLICY

SCOPE

The policy governs all students in school or travelling to and from school; all staff, contractors and visitors on the school property.

OBJECTIVE

To ensure a safe and healthy learning environment for students.

PROCEDURES

- Westlake Girls High School is proud to be a smoke free school.
- Smoking/vaping/e-cigarettes are not permitted anywhere within school buildings or grounds.
- Signs will be displayed in highly visible places throughout the school.

Students may not smoke at school/vaping/e-cigarettes (or other alternatives) or when travelling to or from school. If a student is found smoking/vaping/e-cigarettes, the student's parents will be invited to school to discuss the issue and a school response will be made.

- This policy is also enforced when students and staff are on school trips.
- All contractors or visitors to Westlake Girls High School are to be informed of the school's policy.
- All teachers, support staff and ground staff must abide with this policy at school and/or school grounds. Failure to do so may result in a written warning.
