

Kia ora students,

I'm sure you are all very relieved and happy to be at the end of Term 3, with the holidays in front of you.

I want to congratulate all of you on a tremendous effort over the past few weeks. Learning remotely isn't easy, which makes your achievements even more noteworthy.

Lockdown will mean we can't enjoy our usual trips round the country, but I hope you are still able to fill your holidays with things that you enjoy and refresh you. We're all hoping for good news on Monday, which will allow a bit more freedom when it comes to catching up with friends and extended family.

If you haven't done so yet, do take time early into the holidays to put a study plan in place for Term 4. That way you can relax and enjoy the holidays, knowing you are prepared and ready for what will be a busy term.

Equally as important, shut your laptop and focus on things that make you happy. Self-care is an important part of feeling confident.

I'm very much looking forward to seeing you all when you return to school. I think you will be surprised at how the landscaping is taking shape around the Event Centre! With warmer weather, it will be a lovely space to have lunch and meet friends before the end of the year.

Kindest regards
Mrs Stanley
