

Kia ora students,

I hope you are having a relaxing holiday break, and filling your days with things you enjoy.

I'm sure you heard the Government announcement that schools will not be reopening on Monday 18 October. This will be disappointing news, and I know many of you were looking forward to seeing your friends and teachers again.

While your return might be delayed, we are still looking forward to Term 4 and hold onto the hope that we will get to see you again very soon.

In the meantime, your teachers are busy preparing to recommence online teaching next week, so check your Google Classrooms on Monday, and get set to finish the year strongly.

There is still a lot we don't know about how school will operate when we are back, but I'll keep you up-to-date as information becomes available. Don't forget your teachers, Deans and the school counsellors will all be available for you from next week if you have questions or concerns.

You've proven how resilient you are over the past two months, and I have every confidence that you will head into next week with the same determination to succeed.

I imagine you will have lots of questions about how school will look when you return, and we will endeavour to answer them all as we move forward. Please rest assured that student safety and wellbeing will always be our key focus.

Kindest regards

Mrs Stanley  
Principal
