# WGHS NCEA Scholarship information evening

Thursday 5th March – 6pm

# What is scholarship?

Extensive examinations designed for students to sit in their senior years

Both written examinations and portfolio submission

Students can earn **prize money** per subject to put toward their New Zealand tertiary education

The top **3%** of all candidates in each subject are awarded a **Scholarship**

The top **0.3%** of all candidates in each subject are awarded an **Outstanding Scholarship**

# Why enter scholarship?

- This provides our most academically capable students with even more extension in their school subjects.
- This is the highest academic qualification for NCEA.
- Prize money which can be used towards tertiary education in New Zealand.
- Advantage of having this higher qualification when applying for jobs, university scholarships, competitive courses, halls of residence etc
- Multiyear level – start studying in Year 11 or 12.

# Scholarship prize money

Award	Criteria	Prize Money
Single Subject Award	Scholarship in a subject	\$500 per subject (max of \$1000)
Scholarship Award	3 Scholarships or 2 Outstanding	\$2000 per year of study (up to 3 years)
Top Scholar Award	Top candidate in a subject	\$2000 per year of study (up to 3 years)
Outstanding Scholar Award	3 Scholarships + 2 Outstanding 5 Scholarships + 1 Outstanding 4 Scholarships + 1 Outstanding + Top in Subject Award	\$5000 per year of study (up to 3 years)
Premier Scholar Award	Top 10 candidates (capped)	\$10,000 per year of study (up to 3 years)

# WGHS Scholarship programme

- Extramural Scholarship classes for Year 11 to 13.
  - Extramural Scholarship classes are taught either before school (usually 7.30am start) or after school (usually 4.30pm finish) or during lunchtimes.
  - Students will have access to mentor throughout the year to help students stay on track to achieving their scholarship paper.
  - Events throughout the year from assemblies to potential workshops (TBC).
  - Scholars assembly the following year to recognise your achievement.

# Year 11

- Year 11 students are welcome to apply and will be admitted on a case-by-case basis. This will be determined by the scholarship teacher + Mr Burton.
- The subjects where students are most likely to gain entry are History, Geography, Psychology, English, and PE & Health.
- Some students may choose to attend the tutorials to gain experience but not sit the exam. This is absolutely fine.

# What you need to put in

- Attendance at tutorials.
  - Good organisation – study plan.
  - Communication with your teachers, past scholarship students and mentor.
  - Spread out your study across the whole year – not cramming in the last term.
  - Ask your scholarship teachers for extra resources that are on offer.
